

09/095,565

Drawings on page 5, lines 15-16 of the application;

- 2) a generic paragraph which states that the scope of the invention should not be limited to the embodiments which were described; and
- 3) a list of references.

Applicant submits that none of this material has significant bearing on the patentability of the disclosed invention. Its inclusion serves simply to complete the application in a standard, logical manner.

Formal Matters and Conclusion

The Examiner is respectfully requested to proceed with examining the above application and passing it to issue at the earliest possible time. Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.

Please charge any underpayment or credit any overpayment of fees to attorney's deposit account #23-1951.

Very truly yours,
